Benjamin Lauzon
CEIU local 80204
Port Hasting, NS

Good day union brothers and sisters,

My name is Benjamin Lauzon and I am a proud member of CEIU and PSAC. I am currently the president of my local here in Nova Scotia; 80204. I have as well accepted the chair position for the equity committee for my region NL/NS this year.

I have attended the PSAC conference for our region recently and would like the opportunity to attend this conference in order to offer a voice to the equity group, my local and my region. I want to keep being involved as much as I can in order to keep growing as a union activist and learn new skills.

The equity committee is important to me since it is not something I was exposed to when I started within the federal government, had bullying and discrimination first hand experience with a manager and think it is tremendously important for members within those groups to see they are represented and our union is there to support them.

I would be honoured to have the privilege to attend this conference.

Sincerely,

Benjamin Lauzon
President Local 80204
Chair of the Equity committee NL/NS
