Bret Reynolds

Vice President · CEIU Local 621

DELEGATE CANDIDATE

PSAC National Triennial
Halifax, NS

I was elected Vice President in February 2024 on my very first run for an executive position. I came in ready to work, and I have not slowed down since.

I am a fierce advocate for our front-line members: the public-facing Service Canada staff at our Water Street and Hawkesbury offices, the faces Canadians see every day, and often the most overlooked despite that. I know these workplaces. I know these people, and I make sure they know they have someone in their corner. I lead outreach to our front-end offices while staying just as connected to members working behind the scenes at our Campbell St. office and call centre.

What I bring is not just passion but genuine connection. My rapport with in-person members is built on showing up, listening, and fighting for what matters to them. That does not stop at the local level. As Vice President, I also step in for our President when needed, so our Local never loses momentum.

I have invested in my growth as a union activist through training and development, and by attending the Ontario Presidents' Conference and the PSAC Triennial Convention. That experience gives me the tools to navigate a national convention and make sure our members' voices are heard.

I am putting my name forward as a delegate because I believe in this process and I believe in our members. I will be ready, engaged, and proud to represent our region.
