Christian is the President of CEIU Local 50767, a position he has held since 2024. Prior to this, he was the local's Chief Shop Steward, which provided him with a wealth of experience in member representation. Christian is also currently the Chair of the Winnipeg Area Council, and the Secretary of the CEIU MBSK Regional Council. He has worked for Service Canada since 2022. Having held a non-unionized position in the private sector before joining the federal public service, Christian knows the positive effect that a strong union can have on the well-being of its members, and strives to ensure that members have a strong, principled voice at the table during union debates. As a bilingual call centre agent, Christian believes that the use of the French language in union spaces is vital.
