I am applying to attend the 2027 PSAC National Triennial Convention. I am currently the Vice President of Local 80217 in Sydney, N.S., and I have held this position for the past 7 years. I Support my Local President in any activities or events where called upon, such as attending Local Union-Management meetings (LUMCC) as required. I provide guidance and support to our unions Brothers and Sisters. I have actively attended the following training sessions within our region:

- Grievance Handling & Understanding Your Collective Agreement
- Opening Minds Learning
- Duty to Accommodate & Local Administration Training
- Mental Health- First Aid & Occupational Health & Safety Training
- Administrative Investigation, Discipline and Staffing Complaints Training
- Grievance Handling & Facing Management Training

I have also attended and participated in numerous virtual sessions for both CEIU and PSAC for:

- Workforce Adjustment
- Return to Office

Additionally, I am an active member and recording secretary for our Local Occupational Health and Safety Committee and hold the position of Deputy Chief Building Fire Emergency Warden.

I identify with both CEIU and PSAC as a person with a disability.

My goal is to expand my union knowledge and understanding by attending and participating in the National Convention.

In solidarity,

Darryl Landry
