

# HANNAH CONNORS

SEEKING A DELEGATE SEAT FOR THE PSAC NATIONAL TRIENNIAL CONVENTION

- Authentic Voice
- Dedicated Activist
- Member Focused
- Equity Advocate

Having experienced both the CEIU National Triennial Convention in 2023 and the PSAC National Triennial Convention in 2024 as an observer, I feel I'm ready for the chance to represent our members as a delegate on Convention Floor.

I was a relatively new union activist during my observer experiences but with an additional few years and numerous conferences and conventions under my belt now, I've learned more about the process and the expectations surrounding a delegate seat.

As a Young Worker, I recognize the importance of early advocacy for members and hope to increase member engagement amongst the YWers of CIEU through channels with PSAC.
I also hope to use my newly elected position of CEIU A/NVP Women's Priorities East to advocate for our female members at al levels.

Union Experience:

- CEIU Local 90107 President, May 2022 - Present
- CEIU NL/NS Regional Young Workers Alternate Rep
- CEIU NL/NS Regional Regional Women's Committee member
- CEIU A/NVP Women's Priorities East elect
- PSAC Labrador Regional Women's Committee, Co-chair
