DELEGATE CANDIDATE · PSAC NATIONAL TRIENNIAL

Jessie Raymond

Head Shop Steward · CEIU Local 621

> I've spent nearly two years as Head Shop Steward doing the quiet, consistent work that holds a local together -- mentoring stewards, standing up for members, and never waiting to be asked. I'm running as delegate because CEIU Ontario needs strong, steady voices, and showing up reliably is what I do.

UNION EXPERIENCE

– Lead and mentor the steward team, delegating member issues with care and accountability

– First point of escalation for complex or sensitive member files

– Participate in LUMCC on behalf of members

– Vocal advocate for member mental health supports in the workplace

– Raised ongoing concerns about the Curam program's impact on OAS case management

PROFESSIONAL BACKGROUND

– Business Expertise Advisor with Service Canada / ESDC

– Deep knowledge of federal programs and policy, applied to both my work and union files

– Go-to resource for colleagues and stewards navigating complex workplace questions

– Bridge operational expertise with collective agreement rights every day

I'm not running for the spotlight -- I'm running because
CEIU Ontario needs reliable delegates,
and showing up reliably is what I do best.
