

I am seeking election as a convention delegate because my role as Vice-President of Stewards has kept me directly engaged with member concerns, and I want to bring that hands-on, member-focused perspective to the discussions and decisions at the PSAC National Triennial Convention.

In this role, I have worked closely with members on DTAs and grievances, ensuring their rights are upheld and their needs taken seriously. I have seen firsthand the barriers faced by members with disabilities and have consistently challenged the unacceptable treatment they experience. Ensuring members receive timely, fair, and respectful support remains a priority for me.

I currently serve on our Local WHSC and the CEIU Ontario Health, Safety and Security Committee, contributing to initiatives that promote safer and more equitable workplaces. I also serve as the Eastern District Representative Alternate and have stepped into the full representative role when required, attending ORC meetings and ensuring our district's voice is heard.

I have drafted and submitted resolutions for conferences and conventions, as well as bargaining demands on behalf of members, reflecting the issues and improvements frontline workers want to see. I also participate in local initiatives as an ally to equity-seeking members, committed to building a more inclusive union.

If elected as a delegate, I will bring experience, integrity, and a strong member-focused voice to convention. I am committed to ensuring CEIU and PSAC remain transparent, accountable, and driven by the needs of the workers we represent.

Thank you for your support,

Joe Lentini
