@JUANITAADVOCATE

The decisions made at the 2027 PSAC National Triennial Convention will shape the future of our union. We need delegates who are prepared, experienced, and ready to stand up for members from the moment Convention begins.

I am asking for your vote because I bring the experience, knowledge, and commitment to represent all CEIU members with confidence:

✔️ Convention-trained and ready to debate resolutions, participate in caucuses, and make informed decisions.

✔️ Recently elected Alternate National Vice-President for Ontario and Second Alternate National Vice-President for Women's Priorities (Western Region).

✔️ Proven leadership representing members at the local, regional, and national levels.

✔️ Experienced advocate in grievances, accommodations, health and safety, human rights, workplace investigations, and collective action.

✔️ Current representative on the CEIU Ontario Women's Standing Committee, GTA Members with Disabilities Action Committee, CEIU Ontario Regional Council, and CEIU National Human Rights & Race Relations Committee.

As a racialized member and member with a disability, I understand why equity, accessibility, inclusion, and fairness must remain at the centre of our union's work. I believe every member deserves to be heard, respected, and represented.

I would not just attend the Convention, I will arrive prepared, ask the tough questions, work collaboratively, and vote in the best interests of our membership.

PLEASE VOTE
