True Equity Requires Flexibility. We Do Not Just Level the Playing Field—We Raise the Floor.

System Accountability & Return-to-Office (RTO) Defence

Dayforce Integration: Mobilized heavy member participation in crucial system testing sessions to ensure collective voices shape the network replacing Phoenix.

LUMCC Advocacy: Aggressively challenged the flawed, philosophically based 4-day RTO mandate at the Labour Management Consultation Committee(LUMCC)

Systemic Protections: Fought the influx of grievances and structural exemption barriers caused by managerial discrepancies.

Mandatory Training: Demanding management accountability through mandatory participation in the Joint Learning Program (JLP).

National Impact & Human Rights

Femicide Advocacy: Published a critical national analysis via official PSAC channels targeting the Protecting Victims Act, demanding that legal wordplay never masks systemic inaction.

GECO Leadership Summit: Represented both PSAC and CEIU on the national stage to demonstrate how our collective bargaining sets progressive standards for childcare, pharmacare, and diverse leave.I urged public solidarity, framing federal workers as trendsetters whose gains elevate everyone.

Key Leadership Pillars & Track Record

Reconciliation & Inclusive Spaces: Indigenous Cultural Space: Championed and successfully launched this initiative following the 2025 PSAC Fall School.

Management Backing: Secured full employer support to ground local leadership in tangible, structural reconciliation.

Women's Rights & Workplace Equity

Committee Visibility: Personally, designed the structural logo for our Regional Women's Committee.

ConnectHER Survey: Supercharged circulation and member engagement across the region.

"Beyond Bob the Builder": Launched the high-profile campaign "Beyond Bob the Builder" It's time for Betty the Builder" to actively dismantle gender stereotypes and workplace barriers.
