Norm Mugford
2027 PSAC Convention
CEIU Local 80226

My name is Norm Mugford, and I have been an active member of CEIU since 2014. From early on, I became involved in union activities to help strengthen our workplace and better support our members. Since November 2021, I have served as President of Local 80226, where I continue to advocate for members and work collaboratively to address workplace issues.

In addition to my role as President, I currently represent NL/NS on the IRCC Committee. I have also previously served as Alternate NVP for the NL/NS region for two years, along with holding the role of Regional Treasurer during that time. These experiences have allowed me to develop a strong understanding of union operations, regional concerns, and the importance of effective representation.

I am committed to continuous learning and regularly participate in training opportunities to strengthen my ability to serve members. I value collaboration, open dialogue, and the exchange of ideas, and I actively seek opportunities to connect with others who share a passion for union activism.

Attending the 2027 PSAC Convention would allow me to further build on this experience, bring back valuable insights to our local and region, and contribute meaningfully to discussions that shape our union's future. I am eager to represent our members, share perspectives from our region, and engage with delegates from across Canada.

Thank you for considering my nomination as a delegate to the 2027 PSAC Convention.
