At the time of writing, I am one of the vice-presidents of CEIU Local 30851 in Edmonton. I'm also one of the PSAC representatives for the Alberta Federation of Labour. I am an active and involved individual, attending meetings for various committees and levels of our union. When it comes to conventions, I value good pacing in debates and critical thinking for votes. I'm excited to bring my perspective to the PSAC national triennial level. Thanks.
