RONAK MEHTA

Nominee for CEIU delegate to the 2027 PSAC National Triennial Convention

I am writing to express my interest in attending the PSAC National Triennial Convention as a delegate. I am committed to advancing the strength, voice, and direction of our union through member driven activism. My involvement in union activity has strengthened my understanding of the importance of solidarity, and inclusive representation in achieving meaningful progress for all members.

In my capacity as a Local President, I have gained experience representing members, addressing workplace challenges, and ensuring that our union remains responsive and accountable. I also serve as a member of the IRCC/IRB Standing Committee, where I contribute to discussions and strategies affecting members. These roles have allowed me to engage in union activity that prioritizes fairness, transparency, and advocacy.

My involvement extends multiple areas of union activity, including organizing a Joint Learning Program across IRCC, fostering collaboration and knowledge sharing among members and management. Additionally, I have participated in LUMCC, contributing to constructive union management engagement and reinforcing the importance of respectful, solutions focused dialogue. As a union activist, I am committed to equity, diversity, and inclusion, and I support initiatives that create safer and more respectful workplaces. I have worked to ensure that underrepresented voices are heard and reflected in union discussions and decisions, reinforcing the values of solidarity and fairness.

Attending the convention would provide an opportunity to share these experiences, learn from fellow activists, and strengthen organizing strategies that support member engagement. I am committed to bringing forward the perspectives of our members with integrity, transparency, and accountability.

I look forward to the opportunity to contribute meaningfully to the convention and to bring back insights that will further strengthen our union's work.
