I am honoured to put my name forward as a candidate for the 2027 PSAC Convention Delegate. I currently serve as the CEIU BC-YT Regional Women's Districts Chair and as a member of the Regional Executive Council, where I have built a strong foundation in advocacy, collaboration, and representing members' voices.

Over the past several years, I have supported members through workforce changes, including cutbacks, term non-renewals, and workplace transitions—ensuring they remain informed, supported, and resilient. I have actively engaged districts across BC-YT, encouraging participation in local AGMs and supporting members in bringing forward issues through joint consultation processes.

In my Regional Women's Chair role, I have collaborated with districts to recognize and support women through initiatives such as International Women's Day events, while also advancing leadership development. I proposed and received approval for national funding for a "train-the-trainer" initiative focused on strengthening the women's representative role and building leadership capacity at the local level.

As a Joint Learning Program (JLP) facilitator, I support respectful, inclusive workplaces and promote understanding of our collective agreement.

I am committed to representing members with integrity, ensuring voices from the members are heard, and contributing to informed, collaborative decision-making at Convention.

Thank you for your vote of confidence.
