Ryan McIntyre

2027 PSAC Convention

CEIU Local 80226

My name is Ryan McIntyre, and I have been a member of CEIU since 2018. In June 2024, I began serving on my local executive as Vice President, where I have been actively working to support members and strengthen our union.

Over the past two years, I have participated in numerous trainings through CEIU and PSAC, building the knowledge and skills needed to be an effective union representative. I am committed to continuous learning and take every opportunity to better understand how we can advocate for members while reinforcing the strength of our union.

In 2025, I had the opportunity to attend the IRCC Conference, where I connected with union activists from across the country. Hearing their experiences and learning from their efforts was both inspiring and motivating. It reinforced the importance of collaboration, knowledge-sharing, and strong representation.

I am seeking to attend the 2027 PSAC Convention to further develop my skills, broaden my perspective, and bring back valuable insights to my local. I am eager to engage with delegates from across Canada, contribute to meaningful discussions, and learn new approaches to addressing member concerns.

My dedication to growth, active involvement, and commitment to supporting members make me a strong candidate to represent our local. I would value the opportunity to contribute, learn, and help advance the interests of CEIU members.

Thank you for considering my nomination as a delegate to the 2027 PSAC Convention.
