Delegate Nominee – 2027 PSAC National Triennial Convention Resume

Name: Jane Taylor
Local: 80208 – Atlantic Region

Union Involvement and Leadership Experience

I am an active CEIU member with sustained involvement at the local and regional levels. I served as **Secretary of Local 80208 for two years** and recently assumed the role of **Acting President** when our President stepped down unexpectedly. I stepped into this role to ensure continuity, stability, and renewed engagement within the Local.

I was also instrumental in **re-establishing Local 80208 after several years without an executive**. Through persistent outreach and multiple Local meetings over approximately one year, and with support from Debbie Morris, I helped create the conditions needed to form a functioning executive. While participation has remained challenging, I am committed to rebuilding engagement and strengthening the Local's effectiveness.

My union work includes:

- **Acting President** and former **Secretary**, CEIU Local 80208
- Regular **participation in Local and Executive meetings**
- **Picketing** in support of members during the April–May 2023 strike
- Assisting members **with Duty to Accommodate (DTA)** documentation
- Supporting **Union Grievance Impact Statement** preparation

Training and Perspective

I have **completed extensive CEIU and PSAC training**, including Mental Health and First Aid, Workforce Adjustment (WFA), Duty to Accommodate, Local Administration, Women's Training, and Mobilizing Around Job Cuts. These experiences have strengthened my understanding of member concerns related to job security, mental health, and equity.

Interest in Attending Convention

I seek to serve as a delegate to represent Local 80208 with care, preparation, and accountability, contribute meaningfully to Convention discussions, and report back transparently to my Local.
