Through my extensive experience I have been able to expand my knowledge and understanding of union (both CEIU and PSAC) processes and procedures. I have written a number of Resolutions for both CEIU and PSAC and am willing and ready to stand at a mic and advocate for those resolutions that affect our membership the most. Attending Convention isn't just a seat, its an honourable opportunity to represent members where the decsions are made. With my extensive experience and ambition to ensure our members are heard, I hope to be able to attend to fight for our priorites and challenge those who do not hae the membership in mind.
